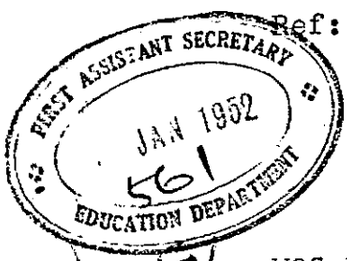
Sub: Establishment - Secondary Education - Municipal High School, Hospet - Sanction of Mathematics L.T.post and permission to open VI Form - Telugu Section 1951-52 - Sanction - requested.

Ref: Copy of letter C.No.8462/51-A3 dated 21-8-1951 of the Commissioner, Hospet Municipality addressed to the Director.



Submitted.

The opening of Telugu Sections in Forms IV and V in the school was permitted in G.O.No.2744 Edn., dated 20-8-1949, but the sections were opened only during 1950-51. This year the section is opned in VI Form for the sake of those promoted from Form V. There are now 5 pupils in this section. Since the section is necessary for these pupils, sanction may kindly be accorded for the same.

As regards the request of the Commissioner for the sanction of the post of a Mathematics L.T.Assistant, two L.T.Assistants' posts (One Science L.T.and one History L.T.) were sanctioned for these Telugu Sections when the sections were permitted to be opened in Forms IV and V. At present, the main school is understaffed, having only 7 L.Ts for the 11 sections. If there is adequate staff for the higher forms of the main school, it can be possible to distribute the work in such a way as to obviate the need for a 3rd L.T. for these parallel sections and till then the post seems to be necessary. The post may, therefore, kindly be sanctioned for the year 1951-52 and the Commissioner may be advised to provide adequate staff for the higher forms of the main school by next year and cause the work distributed in such a way as to obviate the need for a 3rd L.T. for these parallel sections.
